

PHILIP LEWIS: CLUB CHAIRMAN

Originally played national league basketball at Junior level before moving to the USA. While in the USA Phil developed a wealth of experience in the corporate world with Fortune 500 companies working in the field of communications and IT.

As a consultant specialising in healthcare and IT, Phil was responsible for setting up and managing a number of successful businesses dealing directly with New York Hospitals, Microsoft and Dell to name a few. Phil moved back to the UK with his young family 15 years ago and continued to work as a consultant developing confidential IT and Internet based solutions, working with groups such as the United Nations, The Bechtel Corporation, Campari and private business owners.

Although Phil continues to work as a consultant he can now be found pursuing his passion for professional photography and taking pictures for various celebrities.
